LAKE GEORGE LAND CONSERVANCY HIKE-A-THON

The Lake George Land Conservancy's annual Hike-A-Thon is a one-day event held each July 5th, created to showcase the LGLC's parks and preserves as free public resources, and to promote a healthy active lifestyle and appreciation for the land that protects the lake.

Hikes and paddles take place simultaneously at locations around Lake George, culminating with aerial photography of each group by helicopter.

This is your opportunity to support healthy outdoor recreation for healthy communities; spotlight the fantastic natural resources of Lake George; and promote your business to a highly engaged audience.
