Protecting the Land that Protects the Lake
Since 1988

The LGLC is an accredited, nonprofit land trust dedicated to working with willing landowners and other partners to protect the land that protects the world-renowned water quality of Lake George and the natural resources of the Lake George watershed.

Our work depends on the generosity and passion of people who love Lake George and want it to remain as clean and beautiful as it is today for their children and future generations.

LAKE GEORGE LAND CONSERVANCY HIKE-A-THON

The Lake George Land Conservancy's annual Hike-A-Thon is a one-day event held each July 5th, created to showcase the LGLC's parks and preserves as free public resources, and to promote a healthy active lifestyle and appreciation for the land that protects the lake.

This is your opportunity to support healthy outdoor recreation for healthy communities; spotlight the fantastic natural resources of Lake George; and promote your business to a highly engaged audience.

Funding is used to offset event expenses, such as the free t-shirts given to participants, as well as supplies for volunteers and the After Party. Any additional funding will support the LGLC's work to protect the land that protects the lake.

Questions? More information, including volunteer opportunities and FAQ's can be found at lakegeorgehikeathon.org, or call us at 518-644-9673.
